President

Dear Friends and Alumni,

I invite you to join me in celebrating Manor's 45 years of academic excellence. Manor continues to grow with a twenty percent increase in enrollment breaking last year's record enrollment. With your support, dear friends and alumni, Manor was able to meet the challenge of this record enrollment.

Your gifts have purchased computers, court reporting equipment, opened a Small Business Resource Center, expanded retention services in the Learning Center, and increased the outreach programs of the Ukrainian Heritage Studies Center and the Dental Health Center.

I thank you, dear friends and alumni, for your great generosity. Your support is appreciated by Manor's administration, faculty, staff and students. The Sisters of Saint Basil the Great and I will remember all your intentions in the Liturgies celebrated for Manor's benefactors.

As Manor celebrates its 45th birthday, I want you to know that Manor is committed to preserve its spiritual and ethnic heritage while promoting academic excellence. You, dear friends and alumni, have made this 45th celebration a reality by your generous support. I thank you for your generosity.

May God bless you with much joy and good health.

Sincerely yours,

Sister Mary Cecilia Jurasinski, OSBM

From the Development Director

Fiscal year 1991-1992 was a milestone for Manor College in many ways. Achievements in terms of peak enrollment of students, faculty and staff were a glimpse for the decade of the 90's goal setting. Even more important is the continuing commitment of Manor to quality education and respect of every individual.

Although this past fiscal year has been most favorable, and many advancements have taken place, we cannot be complacent in the year ahead. We reached a turning point where we could begin looking forward rather than backward.

Strategic planning is a dynamic cycle - one that continually takes stock of where Manor has been, where it is going and why it wants to go there. While this plan building upon the traditions of the past, it also become a vision for the future. At this key point in the planning cycle, I would like to produce the progress of this report on how significant new directions, are shaping Manor's overall vision.

Annual Giving Activities both restricted and unrestricted brought in funds totaling $117,337.77.

Gift-in Kind from Manor's loyal friends totaled $2,211.82.

The Three Major Unrestricted Fund Raisers brought in a grand sum of $30,255.23. These were namely:

1. The Ukrainian Fall Festival which totaled $9,678.58. This sum was achieved in spite of the inclement weather throughout the day.
2. The Pysanky Expo profit of $2,336.65 remains constant as compared with previous years.
3. However, our Spring Gala surpassed all expectations with its total profit of $18,240.

Deferred Giving achieved a total of $4,999.25.

Through Manor's persistent requests for **Government Grants** this year, the college was allotted $67,814.00. This category includes the following three grants:

1. Carl Perkins Government Grant — $51,814.00.
2. Legislative Iniative Grant (Department of Education) — $15,000.00.
3. Legislative Iniative Grant (Department of Education) — $1,000.00. Thus the grand total Annual Giving Fund reached a record high of $222,618.07.

As of June 30, 1992 the **Restricted Campaign Gift** remains at $40,015.00.

The **Grand Total of Annual Giving and the Campaign Gift** was $262,633.07.

In addition to raising funds, Development has continued to increase a reliable donor base by:

A. Purchasing IBM computer for updating donor base.
B. Collecting new names through various correspondence efforts.
C. Continually testing mail of new names.
D. Updating Alumni List; solicited various Academic Programs to maintain ties with Alumni.
E. Through the efforts of the Council of President's Associates with the community the following activities were introduced:

1. Light for Life Campaign with local community.
2. Mailing to Foundations and Businesses were revised.
3. Business Outreach with local businesses.
4. Small Business Center Law Library introduced at Manor.

With grateful thanks to all our loyal benefactors who helped to make this a successful year, we trust the ensuing year will continue to expand.

Light for Life

"A Light for Life," campaign to raise funds to pay for the equipment was initiated by the Sisters, Manor Junior College and St. Basil's Academy as a memorial to Sr. Olha, OSBM, former president of Manor who was struck by a car and killed attempting to cross the street in front of St. Basil's and Manor. "Light for Life" Successful Campaign

"A Light for Life," fund-raising campaign to pay for the cost of installing a traffic light in front of Manor Jr. College, St. Basil's Academy, and the Sisters of St. Basil the Great Motherhouse on Fox Chase Road which officially began Jan. 1, 1992 has been a huge success, announded Sr. Mary Cecilia, OSBM, president of Manor.

"When this campaign was begun to raise these funds, the Sisters of St. Basil the Great, St. Basil Academy and Manor Jr. College were confident that God would provide and that our many friends and neighbors would help us and support us," said Sr. Cecilia. "And that's what occurred...our many wonderful supporters responded to this important need."

Approval for the traffic light was granted in December 1991 by Abington Township and PENNDOT. The traffic light was officially installed in April 1992. The Sisters of St. Basil the Great, St. Basil's Academy, and Manor petitioned Abington Township for the traffic light after the death of Sr. Olha, OSBM, former president of Manor died after being struck by a car on Sept. 16, 1987. In March 1991, a Manor student was permanently injured after being struck by a car after disembarking from a bus in front of the schools.

The campaign for "Light for Life," was coordinated by Mary Anne Whitehead, P.R. director for Manor.

IT's UP!
